JUDGMENT

Complaint of the petitioner is that in spite of the availability of the list prepared by the Public Service Commission and the existence of vacancies, those vacancies have not been reported by the Appointing Authority. Petitioner is relying on Ext.P8, a letter of the Public Information Officer, which according to him, discloses that there are three vacancies of Clinical Psychologist. Taking into account the fact that there are vacancies, it is only proper that the Appointing Authority reports the vacancies to the Public Service Commission, so that the candidates can be advised from the list.

2. In the result, I dispose of this Writ Petition directing that if there are substantive vacancies, Director of Health Services shall report the available substantive vacancies to the Public Service Commission as expeditiously as possible, at any rate within a period of one month from the date of receipt of a copy of this judgment.

Antony Dominic,
Judge.
